SUMMARY

Dynamic and proficient in Core Java, Advance Java, and MySQL. Fresh graduate with strong problem-solving skills and a passion for continuous learning. Eager to contribute to collaborative software development projects and drive innovation in the field.

PROJECTS

SK-Tech Learning - [GitHub](#)

- Created a responsive user interface using JSP, CSS, JavaScript, and Bootstrap.
- Implemented backend features with Java, JSP, Servlets, MySQL, and utilized SMTP for email notifications.
- Integrated dynamic pages for course listings, student testimonials, and contact information, collaborating with industry experts to ensure practical, hands-on training.

Portfolio - [GitHub](#)

- Created a responsive design using HTML, CSS, and JavaScript for seamless multi-device compatibility.
- Integrated Java SMTP for functional and secure contact forms, showcasing web development and Java programming skills.
- Highlighted various projects with detailed descriptions to demonstrate expertise in frontend and server-side technologies.

SK-FoodShop - [Github](#)

- Developed a dynamic food ordering website, "SK-FoodShop," using HTML, CSS, and JavaScript, featuring responsive design and user-friendly navigation.
- Implemented a shopping cart system with quantity management, real-time price calculation, and integrated advanced payment methods (Credit/Debit Card, UPI, Cash on Delivery).
- Enhanced user experience with interactive customer reviews, compelling blog content, and seamless navigation, leading to increased user retention and satisfaction.

Rock Paper Scissors Web Game - [Github](#)

- Developed an interactive Rock Paper Scissors game using HTML, CSS, and JavaScript, featuring dynamic animations, score tracking, and a reset feature for seamless gameplay.
 - Integrated engaging sound effects, including click sounds for user actions and dynamic audio feedback for win, lose, and draw outcomes, enhancing user experience.
 - Designed a responsive UI with smooth transitions, ensuring compatibility and optimal performance across desktop and mobile browsers.
-

CERTIFICATIONS

- Java Full Stack
